## Further Terms and Conditions Teachings

### Registration and booking procedure for private-class-abonnements

1. Take a contact over email with your request. Giving me a general information about who you are, what about your singing experience, your wishes etc. In any case leave me a phone number, so I can call you by back. If you from outside Switzerland, it must be a number compatible to whatsapp, teams or IMO. Also send me 3 possible time-windows in a week for your class.
2. I will take a contact to you by phone. If I accept your request, we will fix a day and a daytime together, so we have a fixed time-window for the booked abo. We will also fix the holidays etc. from eather sides, when we will be not able to take the class. So please be prepared.
3. Please fill all the classes discussed in Google-calender sending me an invitation for it. They must be numbered by 1 to n. Also they should not exceed the duration of the abo. Suppose you book a MAXI abo, fix 20 classes within 6 month, leaving out the absences discussed.
4. Exeptions are made only, if your abo touches the summer-holidays (school-holidays Zurich), as I might be longer on holiday then. Also If you will leave the country for several weeks, please send me a proof (flight ticket or confirmation institution abroad etc.), so I will extend your abo-duration.

The amount to be paid for abonnements has to be payed to the account  
Postfinancekonto IBAN CH52 0900 0000 1551 4450 2 und BIC POFICHBEXXX.

5. Start to take your lessons as per calender ☺
6. If you would have exceptionally to shift a class, shift it yourself at the end of your class-serial, at least 2 weeks ahead and informing me by whatsapp. Just change the agenda-entrance without changing the number! Like this it is guaranteed, that we will not lose a class. Again, I will confirm you the class, as I will get an invitation as a guest again. If it is not possible for me, I can tell NO.
7. If you are sick, I need a doctor's confirmation (Arztzeugnis). Exceptionally (1 time in 3 month) you can also shift the class without a confirmation, but only till your abo-duration exceeds. If you have a serious healthproblem, you please send the doctors confirmation with the period you are not able to take a music-class by email as a scan. Then I will extend your abo-duration. Again it is your responsibility to make the necessary changes in the e-agenda. Also every time call me and inform me by whatsapp.
